

Together We Thrive: Strengthening Bonds and Brightening Spaces

On 21 September 2024, ten FBF staff and 2 UTAR students has visited the Salvation Army Children's Home at Ipoh from 8am to 12pm.

Activities with the children:

- Motivational talk
- Team-building activities

Beautification process for the home:

- Gardening
- Recycling
- Cleaning up

Objective :

To enhance interpersonal skills and foster a sense of teamwork and collaboration among the children at the Salvation Army Girls Home through engaging and interactive team-building activities.

To enhance the living environment at the Salvation Army Girls Home by having the lecturers work together to clean, organize, and beautify the home's spaces, creating a more welcoming and aesthetically pleasing atmosphere for the children.

These activities enhanced teamwork and communication skills among the children, fostering continuous personal and social development. The children not only enjoyed the day but also built valuable skills through the activities.
